

Insider Trading Prevention

Insider Trading is the trading of company shares or other securities (bonds or stock options) carried out by company's individual with access to non-public information about the company.

Policy

The Company has a policy that regulates insider trading activities for all BRI people. Insider trading policies are contained in the Joint Decree (SKB) of the Board of Commissioners and Directors of BRI No: 02-KOM/BRI/05/2012 and Nokep: S.104-DIR/DKP/05/2012 dated May 24, 2012 concerning General Guidelines for Handling Conflict BRI's interests.

Policy related to insider trading activity regulates that:

1. Every BRI person must avoid personal actions that benefit from "inside information" or inside information obtained from his position, while this information is not open to the public.

2. All BRI employees do not use confidential company information and business data for interests outside the company.
3. All BRI personnel are prohibited from carrying out any activities related to insider trading that refer to illegal activities in the financial market environment to seek profits which are usually carried out by utilizing internal information such as published plans or company decisions / corporate actions.
4. Violation of the above activities will be subject to disciplinary sanctions according to those applicable at BRI.

In supporting good corporate governance practice, all BRI personnel are required to make Annual Disclosure statements, including disclosure of insider trading transactions carried out by BRI personnel.
